Approval of Agenda for Month: May
Motion put forward: *Colin Charlton*
Second: *Greg Irvine*

Finance Report

- Account Receivable - *Available upon request*
- Insurance Claims - *None*
- Reserve Fund - *Available upon request*
- Maintenance Estimates - *Available upon request*
- Loans - *None*
- Note -

Maintenance Report

New:

- Unit 43 - Paint - As of April 4, 2018 unit owner sent in an email stating that they would like to start the painting ASAP weather depending - *Will reply to unit owner saying they can pick up paint from Unit 57 anytime.*

Open:

- Unit 43 & Unit 45 - Both these units had a freeze up do to one of the units leaving the door open. This will be taken care of by the unit owners insurance. The condo's insurance will not be impacted - *As of May 3, 2018 confirmed with Ryan(Triton) that this was completely paid for by owners insurance.*

Closed:

- Unit 24 - Pipe Freeze Up - On January 2, 2018 the furnace died & the house got cold thus freezing up the pipes. All regular maintenance to the furnace was done. The part that failed is hard to test. Once the part was replaced the furnace started again - As of January 18, 2018 Siemens plumbing replaced all the pipes and Triton's Crew is repairing the dry wall - *As of March 29, 2018 this can be closed.*
- Unit 45 - Sewage leak in Utilidor New Years Eve - At the same time that Unit 47 had the sewage leak it was noted that the ground shifted which moved the sewage pipe in the utilidor enough to leave a small opening at the joint that during the warm weather there was a complaint made of sewage smell - As of January 18, 2018 due to the warmer weather we were able to have this pumped out and sprayed. Then laid down bio detergent - *As of March 29, 2018 this can be closed.*
- Unit 47 - Sewage leak New Years Eve - As of January 18, 2018 due to the warmer weather we were able to have this pumped out and sprayed. Then laid down bio detergent - *As of March 29, 2018 this can be closed.*

Emails

New:

- Unit 27 - Eavestroughing - As of April 30, 2018 Unit owner asked who takes care of the cleaning of the eavestroughing. I replied stating that some unit owners do their own if it is the lower ones however Triton did some last year. Greg replied stating that this is in the new maintenance agreement between YKCC6 & Triton.

Open:

- Unit 509 - After the issue between Unit 509 & 511 there was damage done to Unit 509's garage wall. Unit owner wanted it replaced to original state which in this unit's case is stucco - Greg to get a hold of Triton to see whom can do this work to get this resolved & find out a price - *As of May 3, 2018 hope to have this done by the end of the month. The temperature in the garage needs to be at least 10 degrees Celsius.*
- Unit 05 - As of March 4, 2018 complaint stating that a vehicle is too close to his back steps essentially in their back yard. On a side note would like to put up a fence for their back yard - As of March 29, 2018 the board has approved the fenced in back yard but with some stipulations an email will be sent to unit owner. The vehicle in question has been moved & we feel that the fence will take care of the parking situation - As of April 03, 2018 a few more emails have been sent back & forward it was agreed upon that jersey barrier will be put up instead of a solid fence with doors - *As of May 3, 2018 will need to speak with Capital Transit Mix to determine when barrier is ready. Most likely a couple of weeks.*

- Unit 15 - As of March 14, 2018 due to the warmer weather an email was received stating that “last night the roof started leaking. I assume it is due to a quick patch job that was done late last fall. I need you to take a look into getting this fixed asap” - As of March 18, 2018 Greg nor I have heard anything back from Triton or the unit owner. We have a few more questions in which I will send to unit owner via email - *As of April 5 I happen to see the unit owner Triton did come by & it was determined that it was just the condensation inside the old furnace exhaust pipe that was dripping but not leaking from the roof to the inside. Perhaps we should be removing these pipes as to not cause any more issues.*

Closed:

-

Website:

- It was mentioned at the AGM that all unit owners should be notified of a monthly meeting. I have added a calendar to the bottom of the main website page to show when the next board meeting will be & any other significant events - July 20, 2017 it was suggested to also send out an email about a week prior to the board meeting asking if their is any concerns to let us know so we can add it to the agenda - August 30, 2017 it was decided to make the garage sale second week of June & July this will be put in the Calendar. Emails & Website will be updated accordingly. Would also like to add Frequently asked questions to website - As of Sept 21, 2017 I manually send out an email to everyone a week prior. I have also already added the garage sale date's to our yearly calendar. Still working on Frequently asked questions - As of October 19, 2017 we are looking into a different type of system to better handle our Maintenance, emails & Financials. Currently looking into something called “condo communities” - As of January 18, 2018 we haven't looked further into this - As of March 29, 2018 a question came forward about our insurance to be available to all on the website & it was deemed

that we can post this information - *As of April 24, 2018 this information has not been posted as of yet.*

Outstanding Items & Task:

New:

- Need to set date & Agenda for AGM - *As of May 3, 2018 Request email for the dates of May 31, 2018 and the back up date of June 14, 2018 has been send to Church of Christ.*
- Receipt for Registered Mail - Colin (President) sent out the registered mail to those whom are behind in condo payments & other. The total comes to \$63.00 - *As of May 3, 2018 Neil White & Greg Irvine has approved this expense.*
- Paint for the condo - As most can always get a can or two from Unit 57 we are looking at getting the entire complex painted this summer. Looking for a quote.

Open:

- Maintenance Contract - Draft found and given to Greg for review - Neil to pass out draft contract to the board members to refine - Done - A Maintenance Draft Form between YKCC6 and Triton was sent out amongst the board members to fine tune before we go into another year agreement was asked by Triton(Ryan) to provide a copy of last years Maintenance Agreement however I do not have a copy of this - This is still in a draft format due date unknown at this time also there is another draft contract that needs to be compiled for the bookkeeping itself. - Still on going - Right now Triton is on a month to month contract with us - I thought I had a copy of the latest Contract Draft but I do not - We may need to start from scratch on this one. Still on going - No real movements on

this as of yet still on going - Triton has a Draft that he would like to share with us. Triton to send a copy to Colin - July 5, 2017 Triton to send a copy to Colin by July 15 - July 20, 2017 a copy was sent and is being looked at - As of August 30, 2017 this is still on going - As of Sept 21, 2017 this is still on going - As of October 19, 2017 this is still on going - As of November 16, 2017 still on going - As of January 18, 2018 we are in the final stages of getting this done - *As of March 29, 2018 this is still ongoing however we have finalized a LME sheet.*

- Signage - Need new “no parking” signs as some are severally faded. Need to move the one way sign. Would like to get a “Gold City Court” sign put up on the front fence again - As of October 18, 2017 most of the signs have been done just need to find out the remainder locations - As of December 1, 2017 will get this done ASAP Triton(Ryan) overlooked this item - As of December 14, 2017 some of these items need to be done in the spring/summer time. Noticed that one of the “No Parking” signs is hanging upside down just need to correct that - As of January 18, 2018 Ryan(Triton) will take care of the upside down sign as for the faded signs we will redo those in the spring/summer time - As of March 29, 2018 the sign that is upside down is still not fixed. The board hasn’t seen an invoice for new signs, Greg to follow up with Triton to get these ordered - *As of May 3, 2018 the sign that was upside down is now fixed. Other signs have been ordered.*
- AirBnB - Due to recent events we are looking to refine the by-laws when it pertains to AirBnB. This includes long term rentals vs short term rentals vs business rentals - As of January 18, 2018 no real movement has been done on this however we are thinking this should be a policy instead - *As of March 29, 2018 the board is still working out the details. To be clear of the boards decision at this time we do not condone an AirBnB due to insurance issues.*
- Parking - We seem to be having an issue with parking again - As of December 14, 2017 this sort of worked itself out chocking it up to holiday season time - As of January 18, 2108 found out that this is not the case. There are people still leaving their vehicles where ever they want for as long as they want. It was also noted that there are vehicles that seem to have mechanical issues that are parked in our common parking space. An email will be sent to all reminding everyone about our by-laws & courtesy for all - As of March 16 an email was sent to all unit owners - *As of March 29, 2018 a reminder email that will extend the removal of the vehicles to April 3, 2018. It will also specify which vehicles we are talking about.*

- Copper Pipe Replacement Plan - We have discussed that we are only reactive to the copper pipe replacement but not preventative as we would have liked to have been. Although when there is a problem we know what needs to be done & can narrow it down to a two week process. We need to take a closer look at our financials then come up with a plan - As of January No email was sent out and no plan has been put in place as of yet. However there has been some that would like to get this done during their convince - *As of March 29, 2018 an email will be sent out stating what we would like to do, acquire a list of unit owner whom would like to get this done with a time line. We will take that information based on our budget we will determine when & who get this done.*
- Water Insurance - It was brought to our attention that we are all paying the same water insurance amount per individual unit, however we figure that this amount should be divided by 56 units or water main services. As far as we know we only get 4 water main services from the city - *As of March 29, 2018 still ongoing.*

Closed:

- Maintenance/Finance Separation - It was discussed that there will be a separation between Triton & Crowe MacKay for Finances. Dropbox at the shed to be closed off. An email before the end of the month to be sent out to all unit owners. Everything can be dropped of at Crowe MacKay. Also would move the key for the mail from Triton to Crowe MacKay. All finances is to be done through Crowe MacKay - July 20, 2017 the mail key will be dropped off with Neil - August 28, 2017 I haven't received the mail key and the email still needs to be sent out. Need to check if the shed dropbox has been closed off - August 30, 2017 still haven't received the mail key. Email letting everyone know will be sent out in September - As of Sept 21, 2017 this has yet to be done - As of October 1, 2017 email was sent to all unit owners - As of October 18, 2017 we are going to finalize a new PAD to also be sent out to all unit owners - As of October 19, 2017 the PAD has been finalized and will be sent out to all no later then mid November - As of November 16, 2017 there has been a slight delay in this and will be sent out mid December will also be put on the website - As of December 14, 2017 the new PAD was posted but it seemed to be corrupted so I removed from the website for now - As of January 21, 2018 this has been

corrected & reposted. You will find it on our website under the financials tab - *As of March 29, 2018 this can be closed.*

- Doors - Found out through the last meeting that the Half Moon type door will no longer be manufactured. A new type door was approved by the board. We are awaiting to hear back from Diamond Glass on a cost for the Door, Door & Frame and finally Door, Frame & Screen door. Once we get this we will pass this information off to everyone - As of October 18, 2017 we may be able to get the doors cheaper via Igloo - As of November 16, 2017 still waiting for a better picture from Igloo along with part number before I send out to all - As of January 21, 2018 this has been completed - *As of March 29, 2018 this can be closed.*
- Propane Meter - Found out that there seems to be a discrepancy in the propane meters. The certified meter on the inside vs the display on the outside - As of January 18, 2018 waiting to hear back from one of our board members on what he found out so I can share with everyone - *There has been no movement on this moving to closed. If I do get any information I will share it.*

Seasonal On Holds:

- Community Garden - It was brought up that perhaps we need to beautify the little land scape we have & if possible have a community garden - July 5, 2017 this was brought up via the AGM but would like to keep it in the monthly meeting minutes. An general email will go out to all unit owners to see who is interested in some beautification project - *August 30, 2017 we didn't get the response we were expecting. Next year will send this out during spring time moving to Seasonal on holds. (bring back in March)*
- Vinyl on Decks - It was brought up that when the decks were replaced some of them still had vinyl on it. Some unit owners wanted this put back. However there was thoughts that this was done by individuals back in the day and not as group. So some had it and some did not. As of September 19, 2017 the quote for all 56 units including GST is just over \$96,000.00 - As of November 16,

2017 wanted to add the pony wall and come up with a plan at the AGM - *As of March 29, 2018 the board is thinking that perhaps we should have a levy put on this.*

- Unit 45 - As of September 23, 2017 email sent to Triton to look after holes developing around unit & fallen shingles to be picked up - As of October 5, 2017 Triton says Yeah that and unit is on piles so the grounds just settling a bit around the foundation we can look at realigning the gravel and filling in the spring - *As of October 19, 2017 this to be moved to Seasonal On Holds.*
- Unit 515 - Concerns about the appearance of the front part of the building. The Yellow stain from the garage heater. Email will be sent out to unit owner - July 31, 2017 unit owner replied stating that they have tried to clean it up before with no luck. Was wondering if we knew of any kind of cleaner that they should use or if painting the area would be sufficient - August 23, 2017 email sent to maintenance to see if anything can be done or if paint is the only answer - Have not seen an answer if anything else can be used to clean the siding or if paint was okay - Sept 15, 2017 I received an email from another unit that read the minutes & had a solution for me to pass on to unit 515. On Sept 17, 2017 I passed this info on - *As of October 18, 2017 I think this will need to be re-addressed next summer put in Seasonal On Holds.*
- Unit 505 - Skirting needs to be replaced - Supposed to be done the week of Sept 25-29th - As of October 19, 2017 expected to be completed by October 27 - *As of November 16, 2017 this will need to be looked at in the spring. Put into Seasonal On Holds.*
- Unit 75 - Garage Leaking. Received an email on September 6, 2017 stating that the roof above their garage was leaking. Not gushing just dripping. Sept 17, 2017 I passed this onto Greg & Triton - As of Sept 21, 2017 still need to look into - Still on going - As of October 31, 2017 I was unable to find this email so I emailed this unit owner and they forwarded me the email. Turns out the questions was imbedded in another email with a different title. An ways I forwarded this information off to Greg & Triton - As of November 16, 2017 Triton(Ryan) was going to look into it. When Greg got back from Norman Wells he was going to follow up - *As of December 1, 2017 as per Triton(Ryan) it is to late in the year to do a flood test. Will need to revisit this in the summer. To be put under seasonal on holds.*

- Unit 75 - Back Door Stairs - Received an email on September 6, 2017 stating that in the past they sent an email concerning their back door stairs as it seems to be rotting - Sept 17 I passed this onto Greg & Triton - As of Sept 21, 2017 still need to look into - Still on going - As of October 31, 2017 I was unable to find this email so I emailed this unit owner and they forwarded me the email. Turns out the questions were imbedded in another email with a different title. Anyway I forwarded this information off to Greg & Triton - As of November 16, 2017 Triton(Ryan) was going to look into it. When Greg got back from Norman Wells he was going to follow up - *As of December 1, 2017 as per Triton(Ryan) looks like it just needs a coat of paint will re-evaluate in the spring with our annual inspection. To be put under seasonal on holds.*

- Main Water Pipes - It was discussed that we need to have Main Shutoff, Supply & Return lines looked into either install or replace. We are also wanting to get a Scope of Work before anything takes place - July 5, 2017 the Scope of Work and Map is done. Ryan to email the board with this info before Tuesday July 11, 2017 - As of July 20, 2017 a copy of the SOW has been received & approved. This has been sent out for tender to three contractors. Wiseman Plumbing & Heating, Central Mechanical & Polar Ice Mechanical Plumbing & Heating - July 31, 2017 the board received the quotes for doing this work - As of mid August this has been in progress with Wiseman plumbing - This project is still on going - October 18, 2017 we are down to the last few units. The ones that we need access to via the homeowner - As of October 19, 2017 this should be done by end of November also expecting a check list from Triton - As of December 1, 2017 all crawl space has been done with the exception of the one with Cir pumps. Job took longer than planned due to unforeseen landscaping below units. The main road is going to be done in the spring. The ones at the top of the loop has been done - As of January 18, 2017 this will be moved to close and a note put under Seasonal On Holds to get the Range Lake Road portion done in the spring - *As of May 3, 2018 wiseman will continue on these there are 7 recirculated pumps on the main road to be done. All 2 inch piping has been done.*

Adjournment:

- 20:46
