- Unit 29 - More Maintenance Items - As of April 27, 2022. Upper Deck spindle loose, Depression in upper deck after decks were done, Stairs need to be re-painted & wood skirting in front of stairs are destroyed can he tear this out and put gravel down - *As of May 19, 2022 Emerald Painting will be doing this work.*
- Unit 46 - Items of concern - As of April 26, 2022. Fence Issue seems to be falling over, Painting of the decks need to be done & is a green house allowed in backyard - *As of May 19, 2022 Triton to check out the fence to see how bad it is.*
- Unit 509 - Levelling of Fourplex & Door - As of April 27, 2022 - Wanted to know when these items will be looked at - *As of May 19, 2022 we have received one quote from Guy Architects, still waiting to hear back from Structural. Stantec will not bid on this contract because it is below their minimums so they have withdrawn.*
- Unit 39 - Missing Shingles - As of May 9, 2022 unit owner wanted to let us know that during the wind storm they lost a few shingles - As of May 16, 2022 forward to Maintenance - As of May 17, 2022 contacted Side Jobs - *As of May 19, 2022 the zoom boom will be here Friday morning. Other homes on the list are unit 43 & 46.*
- Unit 43,41 & 39 - As of April 8, 2022 noticed pooling of water on the outside of fence area only to find out later that this was sewage - As of April 11, 2022 informed Maintenance whom already knew about the situation waiting for warmer weather - As of May 16, 2022 unit 39 informed us and inquired for an update on this - *As of May 19, 2022 the hangers have been repaired, the leeway area has been sanitized, skirting has been removed there are still two feet of ice underneath, once melted they will go and sanitize the area, sewage line will be rebuilt.*
- Unit 501/503 & 515/517/519/521 - As of May 19, 2022 there seems to be a lot of stagnant water under the units.

Open:

- Unit 515 - Leak on Ceiling - As of May 30, 2021 unit owner wanted to let us know they have a leak on the main floor - As of May 31, 2021 asked if leak was taken care of. Also email forwarded to Maintenance - As of June 1, 2021 Triton was to check this out - As of June 24, 2021 still on gong - As of July 13, 2021 unit owner said I ended up getting central Mechanical to fix the leak but TRITON was suppose to come by to fix the ceiling and they haven't been by yet - As of July 15, 2021 still on going - As of September 9, 2021 unknown if this was looked at - As of September 23, 2021 unknown if this was looked at - As of October 21, 2021 this will be replaced with Pex - As of November 18, 2021 should be completed by end of November - *As of December 21, 2021 email sent to unit owner to find out if the ceiling was fixed - As of January 23, 2022 email sent to unit owner - As of January 27, 2022 schedule for February with the copper pipe replacement - As of March 24, 2022 still ongoing - As of May 19, 2022 this is all completed.*
- Unit 511 - Small Leak & Questions about Exterior Doors & Windows - As of September 13, 2021 was notified of small leak also wanted exterior doors replaced along with windows - As of September 14, 2021 notified that who pays for what on the leak depends where it leaked. Also notified that the Exterior doors & Windows are owners responsibility. On the same day unit owner has insurance adjuster come in & the leak is on the condo side - As of September 23, 2021 wanted to know if pictures were taken & the Triton should be by hopefully next week - As of September 28, 2021 was informed by unit owner that the leak was caused by dual toilet flush valve which has been fixed. No they did not take pictures. The insurance adjuster have pictures but hard to show damage however the insurance adjuster and Winmar have conducted moisture tests that confirm the affected areas but would still like maintenance(Triton) to stop by - As of October 21, 2021 unknown if Triton stopped by or not - As of November 18, 2021 still unknown - As of December 21, 2021 Greg to follow up - As of March 24, 2022 will follow up on this come spring - *As of May 19, 2022 this has been completed.*

Seasonal On Holds:

- Utilidor's - As of September 20, 2018 there was as recommendation by the contractors to put some sort of roofing protection on the utilidor's as to prevent damage like we had before - As of October 18, 2018 was unable to get this done before the colder weather will put this in Seasonal on Holds - As of April 18, 2019 Triton to find wood sealer. Due June - As of May 30, 2019 as soon as the weather permits this will be done - As of June 20, 2019 we have 5 of these on the go. Still ongoing - As of July 18, 2019 this has been completed with the exception of the ones that go under the building. 22-28, 68-72 this is scheduled for next year - As of May 28, 2020 Triton(Ryan) & Colin are assessing a schedule to get this completed - As of June 18, 2020 after the decking has been done Triton will then look into getting this done behind Units 11-15 - As of September 24, 2021 units behind 11-15 have not been done as of yet - As of June 24, 2021 still on gong - As of July 15, 2021 - As of September 9, 2021 we also need to add the utilidor's between unit 24-68 still on going - *As of May 19, 2022 this will be started in June.*

- Condominium Declaration - As of March 21, 2019 it was brought up that perhaps we should revisit the condo declaration for when these units were built - As per April 18, 2019 this is with McNiven to work the Declaration - As of May 30, 2019 still ongoing - As of June 20, 2019 still ongoing - As of July 18, 2019 still ongoing - *As of August 22, 2019 this will be put in seasonal on holds.*
- Beautification Project - **This is the shortened version. For full details go to meeting minutes March 24, 2022-** *As of March 24, 2022 it was decided that this will be off the table and in it's place will be the 5 year beautification plan that was brought up at the AGM.*
- Speed Bumps - **This is the shortened version. For full details go to meeting minutes March 24, 2022-** *As of March 24, 2022 these will be done when we get the road work done.*
- Unit 71 - Bottom Deck & Top Deck - As of June 20, 2019 both the decks is planked wood & not plywood. Wanted to know if this was going to get changed out before the Duradek gets put into place - **This is the shortened version. For full details go to meeting minutes March 24, 2022-** *As of September 26, 2021 Estoppel Certificate has been issues with Unit owner maintenance items which will be addressed in 2022.*
- Unit 71 - Bottom H& Rails - As of June 20, 2019 - The bottom h& rails have not been done on both sides **This is the shortened version. For full details go to meeting minutes March 24, 2022 -** *As of September 26, 2021 Estoppel Certificate has been issues with Unit owner maintenance items which will be addressed in 2022.*
- Eavestrough - The entire complex needs to have new eavestrough put in. We are hoping to get this done in 2020. Unit 27's was never cleaned out & Unit 48's eavestrough was damaged by a moving truck some time in late September. This is the shortened version. For full details go to meeting minutes October 2019 - As of May 28, 2020 we are hoping to get Northern Eaves in this year to fix unit 48 first & since they will be here hopefully fix all the eaves drops - As of September 24, 2020 will put in seasonal oh holds - As of June 24, 2021 we are holding off due to paving in the front - As of July 15, 2021 looks like we will be moving forward with this. Expected due date end of August - As of September 9, 2021 unfortunately due to the scoping of the sewage pipes we had to put this project on hold - As of March 24, 2022 reached out for another quote to get at very least the front units done - *As of May 19, 2022 waiting for a new quote from Levi for the 10 units across the front.*

- Unit 505 & 507 - Cracks in Driveway - As of July 17, 2019 received an email stating that there is many cracks in the driveway can these be filled & sealed or perhaps I be supplied with/ reimbursed for the crack filler & driveway sealer? Estimate ~\$250 for materials - As of July 18, 2019 Triton should have this done mid August - As of August 22, 2019 this will be done in September - As of October 24, 2019 this is still on going & will be placed in seasonal on holds - As of September 24, 2020 this will be looked at in accordance to the RFS. Year of 2022.
- Water Insurance - It was brought to our attention that we are all paying the same water insurance amount per individual unit, however we figure that this amount should be divided by 56 units or water main services. As far as we know we only get 4 water main services from the city - As of August 22, 2019 this will be put in seasonal on holds - This is the shortened version. For full details go to meeting minutes November 2019 - As of June 24, 2021 still on gong - *As of July 15, 2021 on hold.*
- Unit 47 - Parking - At the top of the hill we need to add the “No Parking” with lines as people are running over Unit 47 garden area to get to a non parking spot - As of October 24, 2019 as the season has now gone we will do this in the summer of 2020. This is the shortened version. For full details go to meeting minutes November 2019 - As of March 24, 2022 this will be completed this year.
- Road Work - It was noted that the road going around our complex had a few pot holes. Some cold patching work before winter needs to take place - **This is the shortened version. For full details go to meeting minutes March 24, 2022-** *As of March 24, 2022 these will be done when we get the road work done.*
- All front Units - Come summer need to check for sewer piping under front fourplexes - As of May 28, 2020 it was decided that this will be checked under all units - *As of March 18, 2021 we need to pick a plumber to do the work.*
- All Units- **This is the shortened version. For full details go to meeting minutes April 22, 2021-** As of August 27, 2020 the numbers have arrived & are starting to be put up - As of September 24, 2020 still on going - As of November 19, 2020 due to the numbers arriving late & winter it was decided to put this on seasonal on holds for 2021 - As of May 19, 2022 still ongoing - *As of May 19, 2022 should be done with in the next two weeks.*
- Unit 28 - Wet Crawl Space - As of August 4, 2020 received an email from unit owner concerned about water build up in crawl space along with condensation build up on & in the vapour barrier under the unit. Also wanted to know who’s responsible for the

insulation in the crawl space for the bottom floor - As of August 27, 2020 this is under review - As of September 24, 2020 I will follow up with Unit owner - As of November 19, 2020 this is to be put into seasonal on holds - As of March 18, 2021 we will ask Triton to start going in via April to start pumping out water - As of April 22, 2021 it might be easier to get Triton to go in under unit 26 as the access is outside rather than unit 28 to start pumping out the water - As of May 20, 2021 still on going - As of June 7, 2021 Triton said next week they will be starting - As of July 15, 2021 Triton said dry under unit therefore unit 26 should be dry - *As of March 24, 2022 will visit this come spring or mid summer.*

- Units 505 to 511 - Settlement/Leaning Adjustments - Do to the ground heaving these units will need to be levelled out. **This is the shortened version. For full details go to meeting minutes October 2019. - This is the second shortened version. For full details go to meeting minutes August 2020** - As of June 18, 2020 Triton to go underneath to make sure it is dry before moving forward - As of July 16, 2020 going to speak to Konge construction to order some screw jacks - As of August 27, 2020 still on going - As of September 24, 2020 still on going Greg to follow up - As of November 19, 2020 still on going Greg to follow up - As of December 17, 2020 this is to be put into seasonal on holds - As of June 24, 2021 still on going but will have Stantec or Konge construction to get back to us - *As of July 15, 2021 still on going.*
- Unit 25 - As of July 02, 2020 email was received asking if we can get the willow tree trimmed & Fence between units fixed. She would like to add a deck in the back yard but no contractor will give a quote until the safety concerns are addressed - As of July 07, 2020 email was forwarded to Maintenance - As of August 27, 2020 the willow tree has been trimmed. During Colin & I walk around we noticed the fence was not fixed. Still on going - As of September 24, 2020 this will be looked at next year - As of November 19, 2020 this will be put into seasonal on holds - As of May 20, 2021 we will get the fence between the two units fixed - As of July 15, 2021 still on going - As of March 24, 2022 will be looked at this summer - *As of May 19, 2022 the boards were put up so the dog doesn't come across. Unit owner is ok with this. Move this to completed.*
- Copper Pipping Replacements - As of January 28, 2020 it was decided to pick a fourplex & make sure that it is completed then pick another fourplex - As of February 25, 2021 Unit 505 is first then unit 25 after those two units it will be completed by fourplex - As of March 18, 2021 we will send an email to both these unit owners then pick a fourplex to complete - As of April 25, 2021 email has been sent to unit owners 25 & 505. There as a question about Unit 70 copper pipes email was sent to that unit owner to take a few pictures for us - As of May 16, 2021 unit 25 wanted more info,

unit 505 never responded & unit 70 provided the pictures we were looking for - As of June 24, 2021 still waiting to hear back from Wiseman for when they can come in - As of July 9, 2021 unit 25 said she would like to be added to the next schedule - As of July 15, 2021 only unit 55 will be done thus far as they had a recent pipe burst - As of December 21, 2021 unit 55 has been completed - *As of May 19, 2022 unit 25 will pick a time & Date on when this will be done.*

- Unit 503 - New Duradek Tear - As of August 14, 2021 Unit owner showed me that there is a tear in the duradek wanted to know if there is anything we can do while it is still warm out - As of September 9, 2021 Neil to follow up with Unit owner - As of September 23, 2021 Neil checked with unit owner & issue is still there. However Maintenance said that Aurora should be able to do this patch before winter hits - As of October 21, 2021 this will be looked at as of spring of next year. Moving to seasonal on holds - As of March 24, 2022 still on schedule to be done this spring - *As of May 19, 2022 Greg to get a hold of them to get this done.*
- Unit 501 - Back Bottom Deck & Back Stairs - As of September 24, 2021 Wanted to know when these items can be repaired - As of October 19, 2021 email sent stating that if the back stairs need to be repaired that it will be removed instead for unity of the condo. As for back deck need clarification if they are talking about the part under the balcony or the back patio area - As of October 21, 2021 it was decided that this will be made to look the same as unit 503 next year. Moving to seasonal on holds - As of May 8, 2022 unit owner was following up on the deck & stairs. Also was concerned about the melting of snow and accumulation of water under the home - *As of May 19, 2022 we need to approve the quote to get this started.*
- Birds Nesting in Vents - Units 29, 46 & 517 have all put in inquiries about birds nesting in the vents. It was decided that in the summer we will get all exterior vents checked on all units.
- Lower Decks Slopping Inwards - It was noticed that the lower decks at Unit 55 & Unit 57 both have pools of water that are in the corner of the divider wall on the lower decks - *As of May 19, 2022 still no solution on this.*
