Open:

- Units 505 to 511 - Settlement/Leaning Adjustments - Do to the ground heaving these units will need to be levelled out. **This is the shortened version. For full details go to meeting minutes October 2019. - This is the second shortened version. For full details go to meeting minutes August 2020 - This is the third shortened version. For full details go to meeting minutes January 2023** - As of February 15, 2023 President & Maintenance in talks with Structure All Ltd - As of March 23, 2023 still on going - As of April 20, 2023 still ongoing. As of May 25, 2023 still on going however we may get all around to go underneath and level the jacks - As of June 29th 2023 we have scheduled three(3) field visits with StructurAll LTD & he didn't make any of the visits. We will see if Guy Architects can help us out - As of August 24, 2023 still ongoing. Suspecting we need to level it out with crush so people can get into their garage - As of September 21, 2023 we will get ACE to bring in some crush & smooth it out. Still ongoing - *As of October 26, 2023 waiting for the quote from ACE. Then it takes about two days to get the work done.*
- Propane Blankets - As of November 17, 2022 we need to put on the Propane blankets. Haven't heard anything back from Superior Propane - As of December 3, 2022 blankets were put on by Side Jobs but all they had were the tops. We don't know where the wrap around part of the blankets are - As of February 15, 2023 although this was done we don't know where the side wrap around portion went. Because we bought these we need to find out where they are - As of March 23, 2023 Maintenance has not heard back from emails sent to Superior Propane as of yet - As of April 20, 2023 we will get all around to put them away. Need to find out where our completed sets went. The ones that are out there look like our old ones - As of May 25, 2023 still looking into this - As of June 28, 2023 still on going - As of August 24, 2023 still on going. We do have blanket but its the old ones, don't know what happened to the new ones and it's a mess under units 5-11 that needs to be looked at - *As of October 26,*

2023 email sent to Greg that an internal email was sent to get the propane blankets put on.

- Superior Propane Quick Remote Meters - As of November 17, 2022 it was noticed that there is no quick remote meters on the outside of units 5/7/9/11 & 22/24/26/28. Right now the condo board is trying to get Superior Propane to install these units as soon as possible - As of December 13, 2022 still ongoing - As of February 15, 202 - As of March 23, 2023 the President has not heard back from emails sent to Superior Propane as of yet - As of April 20, 2023 still looking into this. The meters belong to each unit owner. Superior wants to move the meters back to outside - As per May 25, 2023 the plan is to have all the propane meters out by either tank side of the building. A meter bank. Not sure if they are using the new meters or the ones that our currently in our home - As of June 29, 2023 about one(1) month ago Superior Propane came in to look at costing & have not heard anything back since - As of August 24, 2023 still on going - As of September 21, 2023 still ongoing - *As of October 26, 2023 still on going. This is work for Superior Propane to do not for us. Will put in seasonal on hold.*

Is it done or is it not done? - As of September 21, 2023

waiting for updated pictures from unit owner - *As of October 26, 2023 there is no answer when Aaron goes to orange a time. Neil to follow up with Unit Owner.*

- Copper Pipping Replacements - As of January 28, 2020 it was decided to pick a fourplex & make sure that it is completed then pick another fourplex - As of February 25, 2021 Unit 505 is first then unit 25 after those two units it will be completed by fourplex - As of March 18, 2021 we will send an email to both these unit owners then pick a fourplex to complete - As of April 25, 2021 email has been sent to unit owners 25 & 505. There as a question about Unit 70 copper pipes email was sent to that unit owner to take a few pictures for us - As of May 16, 2021 unit 25 wanted more info, unit 505 never responded & unit 70 provided the pictures we were looking for - As of June 24, 2021 still waiting to hear back from Wiseman for when they can come in - As of July 9, 2021 unit 25 said she would like to be added to the next schedule - As of July 15, 2021 only unit 55 will be done thus far as they had a recent pipe burst - As of December 21, 2021 unit 55 has been completed - As of May 19, 2022 unit 25 will pick a time & Date on when this will be done - As of August 25, 2022 waiting until September suggest that Wiseman's or CMS or JSL to help with this work - As of September 22, 2022 will reach out to Levi - As of February we are going to wait for the owner of Unit 25 to return this summer and in the mean time we will get Unit 49 done - As of June 29, 2023 plumbers are hard to come by. Still on going - As of August 24, 2023 copper piping in unit 49 not done and patching of dry wall still needs to be done - As of September 21, 2023 still ongoing - *As of October 26, 2023 Aaron and TSS should be good go for unit 25 & unit 49 at the end of November.*
- Unit 503 - Siding - As of October 28, 2022 wanted to know what to do with the siding that was removed for prepping to replace the floor - As of November 17, 2022 for me to follow up on - As of December 13, 2022 still on going - As of February 15, 2023 this will be done in the summer so moving to Seasonal On Hold - As of May 25, 2023 still on going - As of June 29, 2023 still on going plus we need to fix the duradeck portion - As of August 24, 2023 still on going - As of September 21, 2023 going to follow up where the missing siding is - As of October 10, 2023 the missing siding is inside the unit owners garage - *As of October 26, 2023 will be moved to seasonal on hold.*
- Unit 22 & Unit 24 - Unit Numbers - As of November 17, 2022 it was noticed that unit 22 & unit 24 numbers are placed lower than others around - As of February 15, 2023 this will be done in the summer so moving to Seasonal On Hold - As of May 25, 2023 still on going - As of June 29, 2023 still on going - As of August 24, 2023 still on going - As of September 21, 2023 we need to put all the number at the same level - *As of October 26, 2023 this has been completed.*

- Unit 72 - Flooding under Unit - As of September 5, 2023 found the crawl space to be flooded with water. After some investigation it was determined that the water was a broken water supply line under unit 70. However we also found standing water under unit 68. NDS helped us out in pumping out the water. The plumber showed up to replace the broken pipe. - As of September 15, 2023 red light still on the side of unit 72. Circulator pumps, electrical and spray foam needs to be looked at under unit 72 - As per September 21, 2023 electrical and pumps are good. Just waiting to get the spray foam done. The light on the outside is still on - *As of October 26, 2023 we still need to get access to the unit so we can go underneath it. Neil to send the unit owner an email stating we need access or we are getting a locksmith to replace the locks.*

Closed:

- Unit 28 - Wet Crawl Space - As of August 4, 2020 received an email from unit owner concerned about water build up in crawl space along with condensation build up on & in the vapour barrier under the unit. Also wanted to know who's responsible for the insulation in the crawl space for the bottom floor - As of August 27, 2020 this is under review - As of September 24, 2020 I will follow up with Unit owner - As of November 19, 2020 this is to be put into seasonal on holds - As of March 18, 2021 we will ask Triton to start going in via April to start pumping out water - As of April 22, 2021 it might be easier to get Triton to go in under unit 26 as the access is outside rather than unit 28 to start pumping out the water - As of May 20, 2021 still on going - As of June 7, 2021 Triton said next week they will be starting - As of July 15, 2021 Triton said dry under unit therefore unit 26 should be dry - As of March 24, 2022 will visit this come spring or mid summer - As of August 25, 2022 need to get a hold of NDS to see what is happening - As of September 22, 2022 going to ask Side Jobs to look into this - As of October 27, 2022 put into seasonal on holds - As of March 23, 2023 we will get All Around to look into this - As of April 20, 2023 still on going - As of June 29, 2023 all the wet insulation has been removed. The sump pump & electrical has be fixed /upgraded. Spray foaming still need to be completed - As of August 24, 2023 waiting for spray foaming - *As of September 21, 2023 this has been completed.*

- Unit 505 & 507 - Water damage - Unit 507 found water in their basement. Turned out to be coming from unit 505. However Unit 505 wasn't around at the time but we can turn off the water to unit 505 via 507. That was done. In unit 505 the hot water tank blew up that caused the issue. Doesn't look like condo insurance will be involved at all.
- Unit 29 - Maintenance Items - I condensed this into one instead of 3 different line items.
 - Wood Skirting Front of Stairs - April 27, 2022 email received all seems to be destroyed wants to tear out and put gravel in place - As of July 21, 2022 was told this was completed - As of August 21, 2022 saw unit owner but we didn't talk about this don't know if this was front or back - As of August 25, 2022 going to have Side Jobs look into this - As of September 22, 2022 side jobs did not know where this was. Need clarification - As of October 27, 2022 still ongoing - As of December 13, 2022 this will be moved to Seasonal On Holds - As of June 28, 2023 email sent to unit owner for pictures & clarification - As of June 29, 2023 picture has been sent to me - As of August 24, 2023 may be done next year - *As of September 21, 2023 seems like the wood skirting that is in question is already done but not by us.*
